Keep Yourself Organized

Consider creating a file or binder specifically for your post-secondary education planning:

- Handouts from PSP sessions
- Printouts of program research
- Brochures, calendars, pamphlets, etc.
- Emails & correspondence with education advisors
- User names and passwords for profiles created on post-sec school applications

UBC: Admissions

Entrance is competitive. Your transcript is evaluated for marks, breadth, and depth.

UBC recommends 6 grade 12 level classes.

- ✓ Grade 12 Literacy Assessment with final result of “proficient or #3” required

Your application will be assessed in 4 different ways.

1

OVERALL ACADEMIC ASSESSMENT

All grade 11 and 12 ‘academic’ and fine arts courses.

2

CORE ACADEMIC ASSESSMENT

All grade 11 and 12 courses within subject categories related to the degree to which you are applying.

3

DEGREE- SPECIFIC REQUIREMENTS

Specific courses of grade 11 and/or grade 12 level required for the degree to which you are applying.

4

PERSONAL PROFILE

WHAT UBC LOOKS FOR: <https://you.ubc.ca/applying-ubc/applied/application-evaluation/>

UBC: Personal Profile

<https://you.ubc.ca/applying-ubc/how-to-apply/personal-profile/>

The Personal Profile

TELL US MORE ABOUT WHO YOU ARE:

How would your family, friends, and/or members of your community describe you? If possible, please include something about yourself that you are most proud of and why.

WHAT IS IMPORTANT TO YOU AND WHY?

DESCRIBE ACTIVITIES YOU ARE PASSIONATE ABOUT

Describe up to five activities that you have pursued or accomplishments achieved in one or more of the following areas. Please outline the nature of your responsibilities

TELL US MORE ABOUT TWO ACTIVITIES YOU LISTED ABOVE

Please explain the role you played and what you learned in the process. You will be asked for a reference who can speak to your response.

UBC: Personal Profile

<https://you.ubc.ca/applying-ubc/how-to-apply/personal-profile/>

A Personal Profile requires
CAREFUL, REFLECTIVE THOUGHT
in every answer.

**Focus less on listing / describing activities.
Focus instead on what you have learned through these
experiences, on how you have grown.**

REFLECTIVE THOUGHT CAN MAKE THE DIFFERENCE!

**** Remember, one of your referees/references MUST be able to speak to at least one of your activities, and one referee must be a school official.**

Planning to Study in the USA?

- You may have to write the SAT test OR the ACT. Contact your school to find what is needed.
- Can do the test as many times as you like
- SAT info & registrations: www.sat.org (\$103 US)
- ACT info & registrations: www.act.org (\$63 – \$80 US)

Plan ahead carefully as there are limited test dates, and limited test locations in B.C. Registering ahead of time is critically important.

Tips for Applying Online

- Plan ahead what program (& campus - if applicable)
- Set aside uninterrupted time to complete the application
- **Have your PEN number and SIN number handy**
**** your PEN (Personal Education Number) is the 9 digit # on the upper left hand corner of all BC report cards)**
- Application fee payment is due at the time of application so you'll also need to have a credit card handy.

Tips for Applying Online

- **Know your full mailing address with postal code**
- Email address needs to be the one you check the most frequently and will have after high school (*not your school district account).
- **Email will be the primary method of communication from post-secondary institutions.**
- Apply as early as possible for OC
- **Check your email regularly and make sure post-secondary information isn't in junk folder or filters.**

Why Apply Early?

Please apply as soon as possible because:

1. Some college programs are “first apply, first in” and some programs may fill up very quickly.
2. If the post-secondary institution requires additional information from you, you then have the time to fulfill their requests.
3. Some programs require supplemental applications that take time to complete.
4. Some schools allow students to choose courses based on application date. Therefore, if you are late in applying, you may not get the classes you want.

DID YOU KNOW?

- Your **Grade 11 final grades AND your Grade 12 First Semester final grades** are used by the post-secondary schools to determine admission acceptance. (ie: UBC, SFU)
- Keep working as hard as you can throughout the school year as admissions offers are conditional until all final grades are received in late July from the BC Ministry of Education.
- Be sure to complete your **Student Transcripts Service (STS) ASAP**. Add all the PSI's that you think you may apply to. You can go back to the site at any time to add a PSI to your list.

DISABILITIES and POST-SECONDARY

- Most institutions have an office specifically for supporting students with **DOCUMENTED** challenges: learning disabilities, physical disabilities, mental health, and/or ongoing medical conditions.
- They can help create accommodations in classes for students relevant to the disability.
- Plan ahead to organize the documents you need. (ie: from a qualified professional such as a doctor's report)
- Process takes time so start early. Students should contact your PSI by June so accommodations can be set up for when school starts in September.
- **UBCO: "Disability Resource Centre"**
<https://students.ok.ubc.ca/academic-success/disability-resources/>
- **Okanagan College: "Accessibility Services"**
https://www.okanagan.bc.ca/Student_Services/students/accessibility-services.html

WARNING: ONLINE COURSES

Taking an online course for post-secondary entrance:

- Differing deadlines posted by individual Post Secondary Institutions to complete online courses. Check with your institution to verify dates!
NOTE: Your PSI may require you to complete the course sooner than the online school requires.
- UBC recommends completing online courses for admissions by March 1st regardless of when you apply so they have the grade to include in deciding your admission
- Make certain your online school reports your marks to the Ministry of Education so your marks are part of the StudentTranscripts data transfer.
- **Speak with your post-secondary institution for any special circumstances or questions about online courses!**

**How do post-
secondary
institutions get
my marks?**

Student Transcript Service

www.StudentTranscripts.gov.bc.ca

- Use this site to access your transcript, verify your courses, and see proof of graduation next summer. **Students will NOT receive a final transcript in the mail after graduation and can only access it through STS site.**
- If you are thinking about or will be attending a post-secondary institution now or in the future, you **MUST** use this service.
- The STS will electronically send your interim transcript in May (to most schools) and then your final transcript in July to the post-secondary institutions that you have selected on the site.
- UBC would like this done before winter break.

Student Transcript Service

View grades and assessment results

Send transcript to post-secondary institutions

View transcript order history

Order and send transcript to employers

View BC scholarships awarded, expiry and redemption status

Get Started

To register for STS students will need:

- Personal Education Number (PEN)
- Full legal name
- Date of birth
- Email address

STEP 1: go to www.StudentTranscripts.gov.bc.ca

STEP 2: Register for a BCeID. Follow the prompts and register for STS. Finally, log in to the Student Transcripts Service using the BCeID.

STEP 3: From your STS dashboard, view your transcript, make post-secondary institution selections, and send transcripts anywhere.

FREE while you are in high school!

Student Transcript Service

www.StudentTranscripts.gov.bc.ca

- Transcripts are sent electronically to post-secondary institutions according to the SEND OPTION that the PSI has chosen.
- Do not adjust the default send option and/or date range the post-secondary school has already set.

Example: "Send my transcript now and allow this post-secondary Institution to request updates until the date specified below" (*can be a 1 year timeline)

****DO NOT SELECT:**

"Send my transcript electronically now" or "Send my printed transcript now" as these selections are for students who have already graduated

Student Transcript Service

www.StudentTranscripts.gov.bc.ca

NOTES:

- An Institution may ask for early interim transcripts which you can request one from **Mr. Shaw** as your interim grades will not be on your transcript from the STS yet.
- An Institution may ask you to self-report your grades based on your report card marks. These self-reported grades will be verified when the school receives your transcript from the STS in May and then in July.
- If you are taking some time off to work and travel, you will need to use the STS site to access and send your transcripts to PSI's after graduation.

Funding your Post-Secondary Education

GES Counselling

Post-Secondary

Scholarships, Bursaries & Post-Secondary Funding

Post-secondary education is a wonderful investment of both time and money! Planning for how you will manage the costs is essential! Your costs will vary depending on your choices: school, program, number of courses, books, equipment, and student fees are all part of calculating your costs. Research the price of the educational program you choose, and allow extra for major and minor incidentals in your budget. Making a budget for your education is a critical step!

Students are responsible for independently researching and applying for all scholarships, bursaries, grants, and loans. In addition to the links and information posted below, students should remember to research funding possibilities with their chosen post-secondary institution.

GES SCHOLARSHIPS AND BURSARIES

This is a list of scholarship and bursary opportunities organized for you by MONTHLY DUE DATE. What a great place to get started on funding your education! As this is by no means a complete listing of all available awards and scholarships, students are advised to do independent research for further opportunities.
